

THE BEST PLACE FOR KIDS!™

FIND! Child Care Search Tool Launches to Support Working Parents!

WHAT: FIND! is a free, child care search tool specifically designed to provide parents with real-time child care availability information at licensed child care centers across Tarrant County based on proximity to their home and/or work.

WHO: Working parents looking for child care that are employed by Tarrant County’s essential businesses during COVID-19 response may now access FIND!

FIND! is available to all employees employed at “essential businesses” in Tarrant County looking for child care for their children ages zero to 12 years of age. Essential businesses are defined by Tarrant County and detailed [here](#).

HOW FIND! Works:

1. Parents input their contact information and child care needs.
2. FIND! provides parents with real-time child care matches based on their needs.
3. Parents use the contact information provided to reserve their space.

Can I find open child care spots near my work and my home?
