

**Parent Engagement  
Week of July 20-24, 2020  
Summer Activities**

Date:	Activity Name:	Preschool Domains	Activity Instructions or link:
Movement Monday 07/20/2020	Let's Go Out and Play	Physical Development, Approaches to Learning: Creativity	Create a hopping or jumping game you can play together. Use sticks, masking tape, or chalk to make lines, circles, squares, and other shapes on pavement or grass. Then, jump, hop, or step into and out the shapes, back and forth over the lines, and so on.
Tuneful Tuesday 07/21/2020	Dance Party	Language and Literacy: Literacy; Approaches to Learning: Creativity Social Emotional	Keep your family moving! Listening to a favorite song, you and your child will take time copying each other's dance moves  <a href="https://cliengagefamily.org/dance-party/">https://cliengagefamily.org/dance-party/</a>
Wonderful World of Reading Wednesday 07/22/2020	Create a Journal	Reading and Writing	Help your children log what they are doing while at home over the next few weeks. Make a simple journal for your child and encourage them to write or draw about people and experiences.  <a href="https://cliengagefamily.org/create-a-journal/">https://cliengagefamily.org/create-a-journal/</a>
Think about it Thursday 07/23/2020	Water and Ice	Cognitive: Scientific Reasoning and Problem solving	By making predictions and observations, children can learn how ice and water are related. In this activity, your child will melt ice cubes into water and will be able to explain why this happens.  <a href="https://cliengagefamily.org/water-and-ice/">https://cliengagefamily.org/water-and-ice/</a>
Feelings Friday 07/24/2020	Sing About Your Feelings	Language and Literacy, Language and Communication	It's normal to experience a variety of emotions each day, especially now. This activity will help children develop an awareness of feelings and expand their vocabulary with words that refer to feelings.  <a href="https://cliengagefamily.org/sing-about-your-feelings/">https://cliengagefamily.org/sing-about-your-feelings/</a>
